ANNUAL REPORTS
TOWN OF WILTON

1900

NEW HAMPSHIRE
STATE LIBRARY

ANNUAL REPORTS
OF THE
SELECTMEN
AND OTHER
TOWN OFFICERS,
WITH THE
Report of the School Board
OF WILTON, N. H.,
FOR THE FISCAL YEAR ENDING FEB. 15, 1900.

NASHUA :
WHEELER'S PRINTING OFFICE,
1900.

TOWN WARRANT.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Wilton, in the County of Hillsborough, in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town House in said Town on Tuesday, the thirteenth day of March next, at ten o'clock in the forenoon to act on the following subjects:

1st. To choose all necessary Town Officers and Agents for the ensuing year.

2nd. To raise and appropriate such sums of money as as may be necessary, for the support of schools, for the maintenance of the poor, for the repair of roads and bridges for Memorial day, for lighting streets and for any articles embraced in this warrant.

3rd. To hear the report of Agents, Auditors, Committees and all other officers heretofore chosen and pass any vote relating thereto.

4th. To see if the Town will grant the free use of the Town Hall on Memorial Day and evening to Abiel A. Livermore Post, G. A. R.

5th. To see if the Town will grant the free use of the Town Hall one evening to the High school graduating class.

6th. To see if the Town will grant the free use of the Town Hall to the W. C. T. U. for three public temperance meetings.

7th. To see if the Town will vote to locate and maintain an electric light on the corner near the residence of Mrs. Abbie Lincoln.

8th. To see if the Town will vote to purchase a new hearse or take any action relative thereto.

9th. To see if the Town will vote to discontinue so much of the highway laid out Nov. 13th, 1877, as extends from Dale Street to its intersection with the highway laid out Feb. 17th, 1900.

10th. To see if the Town will vote to put in a sidewalk from the crossing of the Boston & Maine Railroad near the grain elevator of D. Whiting & Sons to the mill of the Wilton Woolen Company and raise and appropriate money for the same.

11th. To see what action the Town will take relative to funding the 6 per cent bonds coming due April 1st, 1900.

12th. To see what the Town will do with the water coming upon land of James L. Hardy, William H. Hopkins and others from overflow of the brook and raise and appropriate money for the same.

13th. To see if the Town will vote to locate and maintain an electric light on Bales Hill near the residence of Mrs. H. H. Trevitt.

14th. To transact any other business that may legally come before said meeting.

Given under our hands and seal the twenty-fourth day of February, A. D. 1900.

GEO. G. TOLFORD,	}	Selectmen of Wilton.

	\$957,400 00

Tax rate, \$1.60 on \$100.00.

REPORT OF SELECTMEN.

In submitting our annual report for expenditures for the past year we are obliged to report an increase in debt of a little less than \$1000. due to the fact that something over \$2000. has been expended in remodeling the heating and ventilating apparatus of the new school house, and also that extra appropriations were made in several other departments, without increasing the rate of taxation. We would respectfully call your attention to the revenue derived from our savings bank tax which in 1894 was \$4,851 31 and which has been each year decreasing until it has reached the remarkable low figure of \$1,385.46 and must of necessity continue to decrease unless some steps are taken to reorganize a savings institution in our town.

We most earnestly urge upon the voters of Wilton that in making the appropriations for the ensuing year they practice economy as far as practical for the best interests and good of the town, we are firmly of the belief that by following these suggestions a few years of our present prosperity will see the town entirely out of debt.

Appropriations.

The following estimates have been made for appropriations necessary to meet the current expenses for the ensuing year.

For schools, not including literary fund,	\$5,000 00
Support of poor,	200 00

ENGINEER'S REPORT.

In submitting our annual report we feel that congratulations are due the citizens of Wilton on so small a loss by fire, with one exception, during the past year.

The first alarm March 6th. was for a fire in a tenement owned by F. M. Pevey and occupied by Thos. Wells damage slight.

A bush fire on the farm of C. F. Melendy caused a still alarm but was under control before arrival of firemen.

The burning of buildings and contents owned by P. Ring at West Wilton July 13th '99 was a serious loss about \$2000 Insurance \$200. cause lightning. Before any alarm could be given at the East Village the service of the firemen were not needed.

The second alarm was for a fire in house owned and occupied by Mrs. L. Sylvester Aug. 19th, '99 prompt service by the department saved the house with only a small loss covered by insurance.

The increase in pay for the firemen has increased the interest in and efficiency of the department very much.

The new resevoir built the past year on land of Moses Clark cost more than anticipated on account of the quick-sand nature of the soil, but we feel we have an endless supply of water in the same. 200 ft of rubber lined hose has been added to the equipment.

We submit for your consideration: as imperative, 25 ft of suction hose, painting of the engine house throughout. As a necessity, one more reservoir.

On account of splendid service done, the purchase of more hand extinguishers, one each for French Village, Grays corner, West Wilton and Davisville.

In closing we wish to thank the members of the department and citizens for their kind treatment and support.

Respectfully Submitted.

 9. Caroline F. Martin, aged 59 years. Died in Griffin G. A.
 24. Abbie C. Farris, aged 42 years, 6 months.
 23. Florence S. Cook, aged 31 years, 4 months, 13 days. Died in Hillsboro.
- Dec. 11. Clarence B. Purdy, aged 31 years, 1 month, 21 days. Died in Plainfield N. J.
 22. Abbie F. Beard, aged 43 years, 6 months, 12 days. Died in Cambridge.

W. H. BARNES, Sexton.

REPORT OF SCHOOL BOARD.

For the year ending Feb. 15, 1900.

We are requested in accordance with an established usage, to present a report for another year, to the citizens of the town of Wilton, of its public schools. We shall endeavor to give briefly and clearly a few leading facts. It is not possible to do more in the time and space allowed us.

At the annual meeting Mar. 18, 99, Mr. David E. Proctor was re-elected for a term of three years, and Miss Maria L. Moore for the remaining one year of Miss Putnam's unexpired term. The Board soon organized with Mr. Henry L. Emerson as chairman, Mr D. E. Proctor as treasurer, and Miss M. L. Moore as as secretary. Working harmoniously, the Board so constituted, has tried, according to the measure of its ability, to serve the best interests of the schools.

A year ago an enumeration of the school children, between the ages of 5 and 16 years, was again made by Mr L. H. Blood.

The cards showed a total of 342, 162 boys and 180 girls, a loss of 3 over the preceeding year. None were reported working in the mills under 16 yrs. of age, while the schools were in session, and none working in manufacturing establishments contrary to law. Since that time we have tried to keep a constant watch-care in this direction and can report *very few* attempts even to evade the law.

As we hastily review the work of the year, we notice mistakes made, false steps taken, but these seem incidental only when compared with the entire work done. All progress is slow and the result of persistent unremitting labor. In view of the faithful work we have seen in the schoolroom and the oft expressed desire to follow the best methods, we feel warranted in claiming that progress has been made in the right direction, and that our schools are today a little nearer the ideal school.

Of the fourteen teachers employed ten have remained with us through the year. A frequent change of teachers is a serious hindrance to the prosperity of the school. With two exceptions the changes have been in our schools outside the village. Why we cannot, as a rule, keep a really good teacher long in some of our out schools must be apparent to every thinking person. As far as possible we have tried to grade these schools and thus keep them in touch with the village schools.

At the opening of the fall term, contrary to the usual custom, there was no promotion of classes from one grade to another, in our village schools except a small class from the first primary. We hoped by this means to give the schools a higher rank. It is too early to realize the full effect of this step. The writer is satisfied with the result thus far obtained.

Owing to the small number of pupils, the long distance of some of them from school, and the usual bad traveling during the winter months, it was thought that a fall and spring term of twelve weeks each would be a better plan for the Davisville school. After notifying the parents, through the teacher and pupils of the school of the proposed change, no objection being made, the plan was finally adopted for this year.

The instruction in music commenced in 1898, has been continued under the same teacher, Miss Annie P. Stevenson, with increasing interest and satisfaction. In September arrangements were made to include the West Wilton school in this line of instruction. By consulting the treasurer's report it will be seen that the expense for material to work with has been very small this year.

Very few changes have been made in the text books used. The frequent requests for new reading matter led to a careful consideration of the books in use and the adoption of Stepping Stones to Literature and Baldwin's Graded Readers in place of the New Normal Readers. Perhaps in no department of the work, is the desire so strong to spend money freely as for good reading books. A few weeks ago we spent judiciously, as we think, a few dollars for supplementary reading in the Second

Primary room. The eagerness of the little ones, just beginning to read by themselves, to have one of those books, after lessons have been learned and recited is very gratifying as to the wisdom of spending money in such a way. They are too young to read the books in our public library. How shall this need be supplied if not in our public schools? How much or how little to spend in this way is a question that often perplexes us. Occasionally the remark reaches us that our schools are too expensive. They *are* expensive we admit. We live in an expensive age. If we keep step with the onward march of progress we must meet the demands of the times. Shall we do this or fall behind in the ranks? We leave it with you, good citizens of Wilton, to determine. Your liberality in the past makes us hopeful for the future. We expect to receive an appropriation that will enable us to do the work of the closing year of the 19th century successfully.

The goal of the school boy's or girl's ambition is the High School. Some changes have been made in the courses of study used in our school with a view to making it a college preparatory school, thus satisfying a higher ambition awakened later. Following this report we give a copy of the courses of study as used at present. We do not claim that it is yet just what we desire, or what it will be when the possibilities of the school shall admit of still further changes. Kindly criticism and advice are solicited from those who understand the work, in its details, of this department of education. Lest a misunderstanding remain in the minds of some we would say a word in regard to the graduating class exercises of last year. If we may credit what we have seen and what we have read, the old-time fashion of the public essay is fast becoming obsolete. This fact together with strong convictions, from experience in the work, against the *public* essay of a high school graduate led to the change and not any inability on the part of the members of the class.

With many misgivings we tender this brief and very imperfect report of the school work for the year. We ask for it and for whatever imperfections you may have seen in the working forces of our schools, the kindest criticism. We love the work but have realized our own limitations in it. For the support and encouragement we have received, in various ways, in behalf of ourselves and teachers we have employed we most heartily thank you.

Respectfully submitted,

MARIA L. MOORE,

For the School Board.
